*We, the class of
1969, dedicate
our yearbook to
the prospect of
peace.*

It is given to us, of this generation, to achieve real peace — if not for ourselves, for our children.

— *Sherwood*

To struggle when hope is banished!
To live when life's salt is gone!
To dwell in a dream that's vanished —
To endure and go calmly on!

— *Ben Jonson*

The lowest ebb is the turn of the tide.
— *Longfellow*

And step by step since time began,
I see the steady gain of man.
— *Whittier*

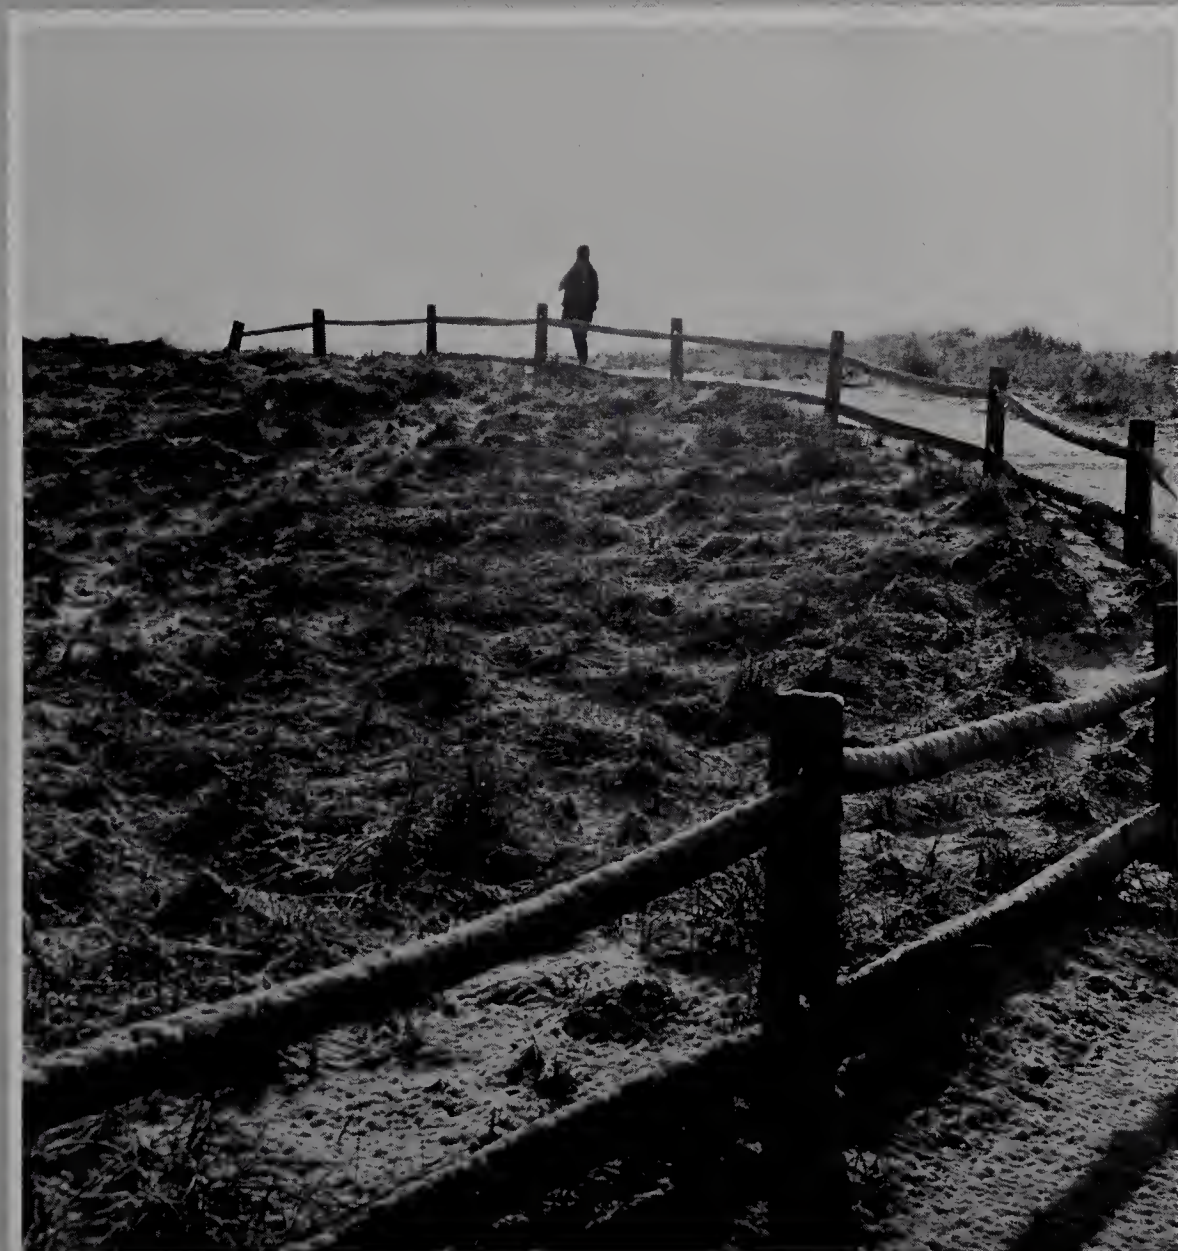

Love is patient and kind; love is not jealous or boastful; it is not arrogant or rude. Love does not insist on its own way; it is not irritable or resentful; it does not rejoice at wrong, but rejoices in the right. Love bears all things, believes all things, hopes all things, endures all things.

— *From the First Letter of Paul to the Corinthians*

The power of ideals is incalculable. We see no power in a drop of water. But let it get into a crack in a rock and be turned to ice, and it splits the rock; turned into steam, it drives the pistons of the most powerful engines. Something has happened to it which makes active and effective the power that is latent in it.

— *Schweitzer*

What is the use of living, if it be not to strive for noble causes and make this muddled world a better place for those who will live in it after we are gone? How else can we put ourselves in harmonious relation with the great verities and consolation of the infinite and the eternal? And I avow my faith that we are marching towards better days. Humanity will not be cast down. We are going on — swinging bravely forward along the grand high road — and already behind the distant mountains is the promise of the sun.

— Churchill

And this our life, exempt from
public haunt
Finds tongues in trees, books in
running brooks,
Sermons in stones, and good in
everything.
— *Shakespeare*

But I have promises to keep.

— *Frost*

And miles to go before I sleep.
And miles to go before I sleep.

SPORTS

Baseball '68

The 1968 baseball team wanted to complete a three sport sweep of championships for Nauset teams. but fate called for a second place finish. A loss to Sandwich despite a no-hit performance by the Nauset hurler sealed that fate. With two of the top four hitters back, this year's squad has a good chance of going all the way.

FRONT ROW (l to r): S. Nickerson, R. Harris, G. Lee, M. MacPherson, T. Hayes, B. Lyons, P. Tucker.
BACK ROW: Coach Donahue, M. Rowe, K. Walsh, W. Cash, W. Duffy, B. Nickerson, R. Durgin, S. Godwin.

The "staff."

Softball

The '68 softball team fought for first until the very last game, when a loss gave the championship to Harwich. Almost everybody is back from last year, and the girls are looking forward to another dogfight for first and, hopefully, a championship.

ROW I (l to r): M. Latham, A. Nickerson, K. Bassett, M. Packett, E. Crocker, B. Wilcox, B. Erickson, M. O'Connor. ROW II: J. Cowen, M. Crowell, N. Westegaard, T. Johnson, J. Chase, Coach Underhill. ROW III: Manager Nichols, N. Larson, C. Lajoie, I. Ostler, M. Richards, P. Lyons.

Track

ROW I (l to r): E. Hubler, J. Smith, D. Brown, D. Jameson, K. Usher, D. Murphy, T. Brady.
 ROW II: E. Hart, S. Fulcher, K. Richman, P. Levasseur, B. Hicks, V. Ollivier, G. Phinney.
 ROW III: Coach Wilkinson, R. Hubler, N. Roth, R. O'Brien, R. Hilferty, S. Peno, J. David.

Soccer

The 1968 soccer season was somewhat of a disappointment when compared to the championship 1967 season. But in spite of a poor record, the team was not a pushover. Eight of the twelve league games went into overtime. The team had a perfect record in non-league games. Ken Walsh stellar in the goal and sophomore Dave "Ace" Crocker showed great promise for the future.

The agony of defeat.

The 1968 Girls Field Hockey team was a contender for the championship of the Cape and Vineyard League. Finishing second, the Nauset team was always a threat and displayed excellent field hockey skills and strategies. Co-captains Karen Bassett and Ellen Crocker were "the two best co-captains I've ever had the pleasure to coach" in Coach Ginger Underhill's words. Mrs. Underhill also praised "Marilyn Packett's hustle, Kris Sveningson's steadiness, and Brenda Wilcox's spirit and drive."

This was a growing year with the girls learning to understand each other and to work together. They may not have been champs of the league, but they will always be winners.

A Perfect League Record

HIGHLIGHTS

The 1969 Warriors knew from the start they had their work cut out for themselves. They had to defend the Cape and Islands League Championship and try to go as far as possible in post season tourneys. They responded by compiling a perfect 12-0 league record, assuring them of spots in the Principals' Tournament and Tech Tournament. To top off a special season, the team represented the United States in a People to People tour of Europe at the season's end. Jim Rawl became the third athlete in Nauset history to score 1000 points in his varsity career, hitting #1000 in a game with Harwich at mid-season.

The performance of the 1969 J.V. squad left little doubt that Nauset's basketball future will be bright for the next few years. Coach White's chargers impiled a strong 9-2 league record. Outstanding performers included Bill Macdonald, Dave Crocker, Jon Rice, Rollie Basset, and Charlie Orr.

This year Nauset expanded its basketball program to include a Freshman team. This has given those boys who are only Freshmen an extra year to develop, and should prove an asset to Nauset's basketball future.

A Few Key Injuries, but . . .

Coach Gessford talks with his co-captains, offensive star Brenda Wilcox and defensive stalwart Ellen Crocker.

After injuries deprived the Warriorettes of two of their starters for the season, Coach Gessford was forced to use this year to rebuild. Having to use some girls with little or no Varsity experience proved costly this year, but the team should benefit by it and be all the better next year.

YOUTH

Youth is not a time of life — it is a state of mind. It is not a matter of red cheeks, red lips and supple knees. It is a temper of the will; a quality of the imagination; a vigor of the emotions; it is a freshness of the deep springs of life. Youth means a temperamental predominance of courage over timidity, of the appetite for adventure over a life of ease. This often exists in a man of fifty, more than in a boy of twenty. Nobody grows old by merely living a number of years; people grow old by deserting their ideals.

Years may wrinkle the skin, but to give up enthusiasm wrinkles the soul. Worry, doubt, self-distrust, fear and despair — these are the long, long years that bow the head and turn the growing spirit back to dust.

Whether seventy or sixteen, there is in every being's heart a love of wonder; the sweet amazement at the stars and starlike things and thoughts; the undaunted challenge of events, the unfailing, childlike appetite for what comes next, and the joy in the games of life.

You are as young as your faith, as old as your doubt; as young as your self-confidence, as old as your fear; as young as your hope, as old as your despair.

In the central place of your heart there is a wireless station. So long as it receives message of beauty, hope, cheer, grandeur, courage and power from the earth, from men and from the Infinite — so long are you young. When the wires are all down and the central places of your heart are covered with the snows of pessimism and the ice of cynicism, then you are grown old, indeed!

The Yearbook Staff would like to take this opportunity to thank all of the people who helped make this book possible. Our thanks to Mr. Mohan and the office for their sincere cooperation; to Mrs. Baker for keeping our noise under control; to members of the faculty who kept their tempers and even to those who didn't; to Mr. Gray for making his signature easily attainable (we love you Mr. Gray!); and to Jeff Smith for his daily sojourns to the Village Bakery for doughnuts during third periods (didn't know about that **did** you Mr. Kalinick?). Thanks also to Cape Cod Photos for their willingness to loan us pictures. Our **special** thanks goes to Mr. Craig who was able to smile even after his 28 millionth trip to Nauset to take pictures. His patience and cooperation were unbeatable, his lunches were pretty good, too.
